1. Restriction to one of the following inventions is required under 35 U.S.C. 121:

I. Claims 1-7, drawn to use email to communicate between print controller and client, classified in class 709, subclass 206.

II. Claims 8-13, drawn to automatically delete print data, classified in class 710, subclass 53.

III. Claims 14-21, drawn to amend print management information, classified in class 710, subclass 56.

IV. Claims 22-27, drawn to amend retrieved print data, classified in class 710, subclass 54.

2. The inventions are distinct, each from the other because of the following reasons:

Inventions Group I, Group II, Group III, and Group IV are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct from each other if they are shown to be separately usable. In the instant case, invention Groups I-IV have separate utilities as described and admitted by applicant in the Summary of The Invention of this application. See MPEP § 806.05(d).

3. The inventions are distinct, each from the other because of the following reasons:

a. These inventions have acquired a separate status in the art as shown by their different classification

b. The search required for one Group is not required for the other Groups

For the reasons above restriction for examination purposes as indicated is proper.

4. A telephone call was made to Mr. James A. Oliff on 12/15/2003 to request an oral election to the above restriction requirement, but did not result in an election being made.

5. Applicant is advised that the reply to this requirement to be complete must include an election of the invention to be examined even though the requirement be traversed (37 CFR 1.143).

6. Applicant is requested to formally cancel the non-elected claims.

7. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a diligently-filed petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(h).

8. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Le H. Luu, whose telephone number is (703) 305-9650.

The examiner can normally be reached Monday through Friday from 7:30 AM to 5:00 PM.
